IDO AZULAY

Computer Science Graduate
Giv'atayim, Israel | +972-54-234-8868 | Idoazulayy5@gmail.com
LinkedIn | GitHub | Portfolio

PROFESSIONAL SUMMARY

Computer Science graduate with hands-on experience in software development, web technologies, databases, and REST APIs. Experienced in troubleshooting, problem-solving, and coordinating with teams in operational environments. Enjoys understanding how systems work, building practical solutions, and learning new technologies.

TECHNICAL SKILLS

Programming & Tools: Python, JavaScript, TypeScript, C++, Git, GitHub, Node.js, Express.js, React
Networking & Web: TCP/IP, DNS, HTTP/HTTPS, Client-Server Architecture, REST APIs
Troubleshooting & Operations: Incident Management, Technical Troubleshooting, Issue Resolution
Databases: SQL, PostgreSQL, SQLite

PROFESSIONAL EXPERIENCE

Building Operations & Control Representative
CBRE | 2023 – Present

- Troubleshoot real-time operational and technical issues, coordinating with relevant teams and service providers through resolution.
- Serve as the primary contact for escalated incidents, managing multiple issues and communicating effectively under pressure.

TECHNICAL PROJECTS

Wedding Website | Personal Project (In Progress)
React, TypeScript, Python, FastAPI, PostgreSQL, SQLAlchemy

- Building a bilingual web application with an invitation-based RSVP system, REST APIs, relational guest data, and token-based access.

Classified Ads Platform | Academic Project
Node.js, Express.js, Sequelize, SQLite

- Built a full-stack platform with REST-style routes, session-based authentication, data validation, and admin approval workflows.

Big Data Analysis Pipeline | Academic Project
Python, SQL, DuckDB, SQLite, Streamlit

- Developed a data processing pipeline using SQL and DuckDB, storing results in SQLite and visualizing them through Streamlit.

EDUCATION

Bachelor of Science (B.Sc.) in Computer Science
Hadassah Academic College (HAC), Jerusalem | 2026

LANGUAGES

Hebrew: Native | English: Fluent
